## Rubi (Rajbanshi) Soares Principal at Terrascope Consulting

Rubi Rajbanshi Soares is the Principal at Terrascope Consulting, bringing over 15 years of experience in sustainability. She has collaborated with nonprofits and major brands to understand and reduce their environmental footprint, with a focus on transportation, waste, and supply chains. Examples of her work include collaborating with Allbirds to develop their first carbon footprint [calculator](#) covering manufacturing to end of life impacts, and supporting brands in understanding the impacts of their supply chain transportation and logistics. Additionally, Rubi has worked with organizations to enhance waste management and waste minimization strategies and has contributed articles to [Waste Dive](#). She holds a M.S. in Environmental Engineering from Northwestern University, and a B.S. in Chemical Engineering from MIT.
